Dear Žaneta, Caroline,

I'm reaching out to request a meeting with Commissioner Dombrovskis on behalf of [Redacted] for [Redacted]. The subjects they would like to raise would be IRA, state aid, CRM and truck CO2 and fleets.

Could you please let us know the availability of Commissioner Dombrovskis in December or January? We would be happy to adjust to organize the meeting as soon as possible.

Looking forward to hearing from you,
