Subject: Meeting with Expedia, 29 September 2022 - minutes

Meeting with Expedia, 29 September 2022

Participants:

- [REDACTED] Expedia,
- [REDACTED] Expedia
- [REDACTED] Expedia
- [REDACTED] Expedia
- [REDACTED] DG GROW
- [REDACTED] DG GROW

Discussion points:

- DG GROW thanked Expedia for their support during the consultation phase.
- Expedia explained the work of the company, a platform that started as a platform to book flights and went into the STR. Vrbo is the main brand. They work with three types of host: private hosts offering their home, property manager, and integrated property manager.
- Expedia asked for an update on the STR initiative, in terms of time and content, and added value with regards to the DSA.
- DG GROW confirmed that the scope of the proposal was revised following the consultation process and impact assessment, focusing on transparency in the STR sector. Explained what the proposal is about and the main measures, as well as the consistency with other instruments.
- Expedia mentioned an event they will organise with EU Travel Tech end of November and where the participation of G3 will be welcomed.
