Dear [REDACTED],

I already made the epass (see here attached) I guess there should be no problem for [REDACTED] to join.

Adalbert has irregular access to his mails this week (on sick leave).

Please use the form here attached for the next epasses (the one you send me is no longer updated and accepted by the system). ☺

Cheers,

[REDACTED]

Hi Adalbert,

Do you mind if [REDACTED] from ECF joins us on Monday? We're doing a lot together on the I.TS and it will save you a separate meeting :)

[REDACTED], I've attached [REDACTED]'s details for the e-pass

Best,

[REDACTED]
