

Meeting with [REDACTED] (Rockwool) and [REDACTED] (European Climate Foundation)

Topic: long-term climate neutrality strategy

Date: 1 April 2019

Participants: [REDACTED] & Adalbert Jahnz

Exchange on the process for EU approval of the long-term strategy, which remains uncertain. Suggestions for angles to encourage support from specific Member States: Poland (clean air and investment opportunities), Bulgaria (nature protection). Suggestion also to strengthen the involvement of the European Investment Bank.

VP cabinet took note.
