Many thanks, your efforts are greatly appreciated and there are interesting insights in your Members' contributions.

No need to resend WESTbahn's position, I am forwarding it to [REDACTED] who is collecting all replies to the stakeholders' consultation.

Best,

Dear [REDACTED]

As per our call a few weeks ago

We are getting more and more responses, but it is tough, considering our members don't have lots of people to perform tasks

Nonetheless, we remain persistent

Please see WESTbahn's answers attached to this email

Who do I sent it to again please? [REDACTED] is also working on other members

Thanks
