Dear Mr Dohle,

Thank you for your request for access to documents of the Council of the European Union.¹

Unfortunately, the transparency team of the Council has been unable to understand what exactly you are looking for.

Please note that last year the Council adopted conclusions on the EU Strategy on the Rights of the Child. However, there is no annex to these conclusions. The UN Convention is mentioned in those conclusions as well as several protocols to it. Please find attached the corresponding document **9468/22**.

To help you further define your query, may we suggest that you conduct a search within the Council's public register at <http://register.consilium.europa.eu/>.

The Council's public register contains references to most Council documents since 1999 (exceptions may apply regarding classified documents), of which approximately 75% are public and available for downloading.

¹ The General Secretariat of the Council has examined your request on the basis of the applicable rules: Regulation (EC) No 1049/2001 of the European Parliament and of the Council regarding public access to European Parliament, Council and Commission documents (OJ L 145, 31.5.2001, p. 43) and the specific provisions concerning public access to Council documents set out in Annex II to the Council's Rules of Procedure (Council Decision No 2009/937/EU, OJ L 325, 11.12.2009, p. 35).

By choosing the option "Search in the register", you can search for documents using several criteria, for example: document number, words in subject or text, subject matter, date and interinstitutional file number.

If you find a document in the register that cannot be directly downloaded, you may introduce a request for access by using the available electronic form.

We hope it helps.

Yours sincerely,

Fernando FLORINDO
