Dear Madam,

Please find enclosed the latest TJTP versions of all German Just Transition Territories, as included in the ERDF/JTF respectively ESF+/JTF multi-fund programmes, as they have been adopted by the European Commission. You will also find them on the respective websites of the German Laender Brandenburg, Nordrhein-Westfalen, Sachsen and Sachsen-Anhalt.

Only the titles and tables of contents are in English language, but the actual content is in German. The machine translations at our disposal do not represent an official version of the TJTPs and sometimes contains linguistic inaccuracies.

Please note that the TJTPs for Nördliches Ruhrgebiet and Rheinisches Revier form part of both the multi-fund programme ERDF/JTF and the multi-fund programme ESF Plus/JTF for North-Rhine Westphalia. Enclosed you will find the versions taken from the ESF Plus/JTF programme, which are most up to date following a minor adaptation of the text of the first section which is common to all German TJTPs, clarifying that the Russian war of aggression against Ukraine does not affect the overall national transition timetable.

You may reuse public documents, which have been produced by the European Commission or by public and private entities on its behalf based on the [Commission Decision on the reuse of Commission documents](#). You may reuse the documents disclosed free of charge and for non-commercial and commercial purposes provided that the source is acknowledged and that you do not distort the original meaning or message of the documents. Please note that the Commission does not assume liability stemming from the reuse.

...

Do not hesitate to contact us, if something is unclear.

Yours faithfully,

*electronically signed*

Leo Maier  
Head of Unit
