Dear Ms Tuts,

Following an informal discussion between [REDACTED] and Commissioner Reynders at the recent EU Consumer Summit, we write to request a follow up meeting with you, at your earliest convenience, to touch upon a number of important topics. These would include:

- The forthcoming fitness check on digital fairness
- Empowering consumers for the green transition
- The Commission's Right to Repair Proposal
- The possibility of arranging a store visit for Commissioner Reynders to provide a behind-the-scenes tour with one of our leading retail or wholesale members

The proposed store visit would, we hope, provide a valuable insight into the investments being made in sustainable transformation and would also help highlight what is needed for the sector to fulfill its potential between now and 2030. It could be organized to fit with the Commissioner's availability and interest, and possibly be combined with existing travel plans or, for example, in parallel with any existing Council Presidency commitments in Sweden, Spain or Belgium.

We would greatly appreciate the opportunity to discuss these issues with you further and we look forward to hearing from you in due course.

With thanks and best regards,
