MEMORANDUM FROM THE PRESIDENT TO THE COMMISSION

According to Article 245(2) of the Treaty on the Functioning of the European Union, the members of the Commission give a solemn undertaking that, both during and after their term of office, they will respect the obligations arising therefrom and, in particular, their duty to behave with integrity and discretion as regards the acceptance, after they have ceased to hold office, of certain appointments or benefits.

Further to this Treaty provision, the Code of Conduct for Commissioners (C (2011) 2904 final) establishes a specific procedure for the assessment of planned occupations which former Commissioners intend to take up during the eighteen months after they have ceased to hold office. The Commission shall examine the nature of the planned occupation and, if the activity is related to the content of the Commissioner's portfolio, it shall seek the opinion of the Ad hoc Ethical Committee.

With his e-mail of 2 February 2015 to the Secretary General of the Commission, former Vice-President Siim Kallas informed the Commission about his wish to take a remunerated position, as from 1 February 2015 (in principle until 2018), as professor of international finance at the Faculty of Economy of the University of Tartu (Estonia). Mr Kallas underlined that he has had a relation with this University, as a visiting professor, during his second mandate as Member of the Commission.

The Services of the Commission considered the nature of Mr Kallas' envisaged activity which does not present any risk of incompatibility either with his former function as member of the Commission or with the interests of the Institution.

The Commission is invited to decide that former Vice-President Siim Kallas' envisaged remunerated activity as professor of international finance at the Faculty of Economy of the University of Tartu (Estonia) is compatible with Article 245(2) of the TFEU.

The Services of the Commission examined the nature of Mr Kallas' envisaged activity. They noted that the lectures envisaged are related to Mr Kallas' former Commission portfolio as Vice President in charge of Transport Policy. However, in view of the academic nature of this activity, at the Tallinn University of Technology, they considered that it does not present any risk of incompatibility with the interests of the European Union and with Article 245(2) of the TFEU, provided Mr Kallas complies with his obligations of discretion and protection of collegiality and confidentiality stipulated in Articles 245 and 339 of the TFEU and in section 1.7 of the Code of Conduct for Commissioners. On this basis, the Ad hoc Ethical Committee was not requested to provide its opinion on this activity.

The Commission is invited:

- (1) to decide that former Vice-President Siim Kallas' envisaged remunerated activity as Visiting Professor of European Transport Policy at the Tallinn University of Technology is compatible with Article 245(2) of the TFEU on the condition that Mr Kallas abides by his obligations of discretion and protection of collegiality and confidentiality stipulated in Articles 245 and 339 of the TFEU and in section 1.7 of the Code of Conduct for Commissioners.
