Public access to ECB documents

Dear Mr Cabo,

On 19 July 2012, the European Central Bank (ECB) received your request for access to *"a schedule of all documents and correspondence submitted by the Spanish Government in relation to the Budget 2013, including the date of submission of the documents and correspondence, their title and copies of all documents and correspondence submitted by the Spanish Government"*.

Having duly looked into this matter, we would like to inform you that to date the ECB has not received any documents from the Spanish Government on the budget 2013.

Yours sincerely,

Pierre van der Haegen
Director General
