Dear Ms Åsenius,

Please find enclosed a draft invitation to a workshop on trade policy with companies from the Swedish commerce sector, as discussed in previous emails.

If this set up is interesting to you and fits your schedule, we would be very happy to receive a few suggestions for dates when you will be in Sweden during the coming months.

We have already contacted several members who would be delighted to participate in the workshop. However, we would of course have to come back with the exact names of companies available once we have an fixed date for a workshop. We will however ensure a broad representation from our sector; with companies active in retail, wholesale and e-commerce.

I hope that this event interests you and that you may find time in your schedule to participate. Please let us know if you have any questions.

Best regards,
