Dear Mr. Panichi,

Since your last request dated November 12<sup>th</sup>, 2015, Mr. McCoy lodged a new case before the Civil Service Tribunal. Lots of documents of his request fit within the scope of your demand.

As these documents fall under an ongoing court proceeding, in accordance to the exception of article 4(2) second indent of Regulation 1049/2001, we cannot disclose these documents. This exception applies unless there is an overriding public interest in disclosure of the documents, and this is not the case here.

Therefore, we shall confirm our prior answer, dated October 27<sup>th</sup>, 2015.

Yours sincerely,
