Subject: Speaking points - ePURE conference

Hi [REDACTED] a,

I send you my first –draft for the speaking points. Do not hesitate to revise it where necessary and send it to [REDACTED]. I have to leave in 30 min for a medical examination. I did not manage to save the file on the share drive in the briefing folder because of lack of space... So it is saved at R:\Directorates\RTD-K\K3\16_Presentations and briefings\Bioenergy\120605 RS Keynote Speech EIBI conference
