Dear Madam, Dear Sir,

I am pleased to send you the enclosed EURELECTRIC position paper which was adopted earlier this week in reaction to the European Commission's proposal to review the ETS Directive. The paper is available for [download](#) on our website.

This paper complements EURELECTRIC's response to the public consultation on EU ETS reform which was published in March, and is also available for download [here](#).

We remain at your disposal for any questions. Please do not hesitate to get in touch should you wish to discuss our position.

Kind regards,

Karl Vella
