Dear ..

EUROPIA and CONCAWE have much appreciated the opportunity to exchange views on the Review of the EU Air Policy at the June 21 Stakeholder Expert Group meeting.

In response to the call for comments on the meeting discussions and meeting documents EUROPIA and CONCAWE have jointly reviewed the materials and would like to offer the contribution that you will find in attachment. We have organised our thoughts as much as possible following the "key questions" on various topics that were made available to the SEG.

We hope that this contribution will be helpful for further discussion in the SEG and we remain at your disposal should you want to get any further clarification on the comments provided in attachment.

Sincerely yours,

EUROPIA

CONCAWE
