**Subject:** endocrine disruptors: meeting request with AmCham EU

Dear Mr [REDACTED],

I am contacting you on behalf of the Environment Committee of the American Chamber of Commerce to the EU (AmCham EU). Our Committee members are very interested in the Commission's work on endocrine disruptors and we would be very interested in meeting with you to discuss the impact assessment as well as the methodology being developed by the JRC.

If you agree to this meeting, could you please provide me with some suitable dates in June?  
For your information, AmCham EU will be present at the conference on 1 June.

Thank you very much and best regards,

[REDACTED]
