Hungary

Excellency, *dear Péter,*

Thank you for your letter of 24 June concerning irregular migration, as well as for the fruitful exchanges we had on 20 July.

The issue of migration represents a top priority for the EU. As I indicated, I am working hand in hand with Commission colleagues, notably with Commissioner Avramopoulos, to ensure that EU assistance is provided to the most affected Member States and that a solid reply to the challenges currently raised by irregular migration is being developed. These are, as you know, complex issues as the migratory flows are of a mixed nature.

The organisation of a Summit with African partners in La Valletta and the organisation of a High Level Conference on the Western Balkan route will provide important occasions to highlight the EU's joint responsibility with countries of transit and origin, and to strengthen its partnerships and solidarity.

I look forward to continuing working with you and other Member States in addressing these crucial challenges.

Yours sincerely,

  
Federica Mogherini
