**Subject: Your application for access to documents –
Reference number GestDem No 2016/4435**

Dear Mrs Vermander,

I refer to the exchange of mails between you and ENV ACCESS DOCUMENTS at the end of July 2016 in which you make a request for access to documents and clarified its scope. Your application was registered as Gestdem No 2016/4435.

Your application is currently being handled. However, we will not be in a position to complete the handling of your application within the time limit of 15 working days, which expires on 30 August 2016. An extended time limit is needed as your application. In fact, large files had to be examined to identify the possible relevant documents.

Therefore, we have to extend the time limit with 15 working days in accordance with Article 7(3) of Regulation (EC) No 1049/2001 regarding public access to documents. The new time limit expires on 20 September 2016.

We apologise for this delay and for any inconvenience this may cause. We would ensure that we will try to complete your request as quickly as possible.

Yours sincerely,

Robert Konrad
[Joachim D'Eugenio,
Deputy Head of Unit]
