Subject: CIBE position on EU-US TTIP and request for meeting

Dear Mr Clarke,
Following our short exchange outside the DG Trade Civil Society meeting on EU-US TTIP on 16 July, please find attached a CIBE document presenting the CIBE position on these negotiations and some technical elements on US sugar and ethanol production.
As mentioned, we would appreciate if I with the President of CIBE Economic and General Affairs Committee, Mr [REDACTED], could meet you in September so as to further exchange on this issue before the negotiations will enter in a more intensive phase.
We thank you in advance if you could suggest us some dates.
Best regards.
