Dear [REDACTED]

In advance of Thursday's meeting with Ms Billaux please find in attachment the visitor information for security. I have also attached a brief presentation on Bunge and a couple of topics that the colleagues from Bunge would like to touch on. Of course, these are very much at the discretion of Ms Billaux and they are open to expanding and/or reducing them during the course of the meeting.

- + The future of TTIP and CETA in relation to the opposition on free trade agreements;
- + Obstacles for economic operators in Ukraine;
- + Different approaches in different countries on biotech threaten to disrupt trade flows, how can the EU forge ahead with innovation;
- + Anti-dumping measures in Argentina and Indonesia for biodiesel and palm taxing policy in Malaysia.

Please do let me know if there is anything else.

Have a nice evening,

[REDACTED]

Dear Ms Billaux,

On behalf of Bunge, a global agribusiness and food company involved in the whole process of food production from field to shelf, we would greatly appreciate the possibility of arranging for a meeting between yourself and the CEO, Soren Schroder, and EMEA CEO, Tommy Jensen, to discuss trade relations within and beyond the EU, especially Latin America.

As you are well aware, the EU is a big trading partner for third countries and countries like Ukraine, Argentina, and Brazil are of significant importance in the supply of raw materials for agricultural products to Europe. While agreements between the EU and these partner countries exist, there are still outstanding hurdles to achieving a better trade cooperation. With this in mind, Bunge would like to discuss the future of EU trade, specifically in relation to the food and agribusiness.

If possible, we would propose a meeting on 15 September 2016 in either the morning or afternoon, whatever would suit your schedules best.

Please don't hesitate should you have any questions for us.

Best wishes,

[Redacted signature]

*On behalf of Bunge*
