Dear Miguel

I'm not sure of when your recess begins and wanted to check whether we could confirm the breakfast meeting on 28 September prior to the summer break.

Do you think this would be feasible?

Thanks in advance for your help!

Kind regards

Dear Miguel

It appears a breakfast meeting on 28 September might indeed be the sole option this time around. We'd be delighted if this suited the Commissioner.

We'll prepare an official invitation letter from Eric Schulz. Provided we can confirm the breakfast meeting, who may I liaise with on practical details?

Thank you so much for your help!

Kind regards

Dear [REDACTED],

Wed 28 September is the weekly meeting of the Commission and the Commissioner must be there. There may be a possibility before the Commission, before 9.00. Difficult to offer a slot after the Commission meeting, something they meeting take the whole morning.

Hope this helps,

Best regards,

Miguel

Dear Miguel

Thank you very much for your quick reply.

I sent a note to Charlotte transmitting your regards.

Looking at the travel schedule of Eric and Haru, would one of the slots below be more convenient?

- Lunch on 28 September;
- Breakfast on 28 September;
- Another slot during the day on 28 September, in which case we'd move other meetings to accommodate.

Many thanks in advance for your guidance!

Kind regards

Dear [Redacted],

I remember very well Charlotte indeed, please transmit her my best regards.

As you know the FTA negotiations with Japan are a key priority for the EU and we value your support and assessment. The Commissioner has a planned trip to Geneva/WTO that day, still tbc. If there some flexibility on your side, I would advise to propose a couple of possible dates / slots, for the Commissioner's consideration.

I copy my colleague Jon Nyman who follows relations with Japan in the cabinet.

Best regards,

Miguel

Dear Mr Ceballos Barón

I hope this note finds you doing well.

I believe you were in touch with our former Vice President – EU Affairs, Charlotte Andsager, at the time you were with High Representative Ashton's Cabinet, concerning Rolls-Royce activities in Vietnam if my memory is correct.

Commissioner Malmström recently met our Chairman, Ian Davis, at a lunch hosted by Commissioner Katainen on the occasion of Indonesian President Jokowi's first visit to Brussels. Unfortunately, schedules didn't allow for a bilateral with Commissioner Malmström.

Eric Schultz, our President – Civil Aerospace, and Haru Tsuyukubo, our Country Director – Japan, will be visiting in September to prepare next year's EU-Japan Business Round Table, one of the many efforts toward an FTA. Eric Schultz serves as the EU-side Chairman for the EU-Japan BRT. He would like to extend an invitation to the Commissioner to exchange views over dinner on 27 September.

Before sending out the official invitation, we were wondering whether you could help us identify whether the evening of 27 September would be suitable for the Commissioner.

We look forward to hearing from you and are grateful in advance for your help.

Kind regards
