Stakeholder(s)	ACEA
Representative(s) of stakeholder(s)	[REDACTED], [REDACTED]
DG GROW representatives	[REDACTED], [REDACTED]
Representatives of other DGs	

Summary of meeting

Meeting at the request of ACEA in order to discuss follow up to the commitment taken by the Commission in the context of WLTP adoption on 14 June whereby the Commission will look into the interplay between new WLTP regulation and the FD in order to achieve coherence between RDE/WLTP testing obligations.

Services informed that the work is on-going and did not give an indication as to possible solutions. The discussion with MS will most likely be organised in September.
