Subject: Joint Industry Letter - Unitary Patent and Unified Patent Court

Dear Mr Jean-Claude JUNCKER,

Please find attached a joint letter of pharmaceutical companies and associations. I am writing to you on behalf of the undersigning companies which welcome the confirmation by the UK Government that the UK will proceed with its preparations to ratify the Unified Patent Court (UPC) agreement. We would like to give a clear message in support of the unitary patent system again and urge that it should enter into force as planned and with the broadest possible geographical coverage.

Sincerely yours,
