**To:** (GROW)  
**Cc:** (GROW); (GROW); (SANTE);  
**Subject:** AW: Possible meeting on boric acid

as discussed with . earlier, please find enclosed a short summary on the use of Boric acid in the electroplating industry. The association is currently preparing a literature review and would like to discuss the situation further. We would be grateful if you / your colleagues could agree to a personal meeting during the coming weeks.

Best regards

---
