Dear [REDACTED]

We are CF for a parliamentary question. From what I see, we should send the reply via a signataire. My draft reply (with [REDACTED] comments included) is in the attach.

DG Markt and DG Comp are associated, but I think that they will be consulted separately by the ENTR Question Ecrites coordinators. I put them in copy also, to come back to us in case there is a different procedure to follow.

Kind regards  
[REDACTED]

Dear [REDACTED]

Can you deal with this PQ?

I think we have received a complaint on the same issue recently.

Thanks,
