Subject: Meeting Dow innovation and regulation

Dear Commissioner,

I am contacting you to request a meeting with Heinz Haller, President of the Dow Chemical Company for Europe, the Middle East, Africa and India and Howard Chase, Director of Government Affairs for Dow Europe. Heinz Haller is also a Vice-President of CEFIC, the European Chemicals Industry Council.

The purpose of this meeting will be to present Dow's research efforts to combine science and technology to feed the world, manufactured in/for Europe in the context of current developments on innovation, and more generally, would like to discuss the relation between innovative companies in Europe and the role of EU regulation to accommodate this.

Heinz Haller is based in Switzerland, but he will be in Brussels on the 26, 27 and 30 January and would value the opportunity to meet with you, as well as, if possible, Cabinet Members Jolana Mungengova and Catrine Norrgard.

Thank you in advance for your consideration on this important subject.

Kind regards,

on behalf of the DOW Chemical Company

Dirk Hudig
