Dear [redacted],

Thank you for your letter and the reminder you sent on 26 November 2013. My apologies that I have not been able to reply to you earlier.

I take note of the similarity of the issues that you now raise with your letter of 6 September 2013 addressed to president Barroso, to which my Director-General Mr Jos Delbeke replied on 3 October 2013.

I am unfortunately not able at this stage to provide you with any additional data beyond what the Commission already provided you and the general public with. However, we have asked Member States for authorisation to make available some of the input data for our calculations. If such release is approved we may be able to provide some more information on the DG CLIMA website.

Yours sincerely,
