Dear [REDACTED]

Please find attached the executive summary and the abstract in French. We hope that this will bring the study to its final conclusion.

Best regards,

Dear [REDACTED]

You are correct. Typically something that is postponed to the last moment when it is certain no textual changes are needed and then slipping out of mind.

We will draft the 200 word abstract in English tomorrow and contact a translator. We will let you know tomorrow when the translator can finish the translation and send him the abstract after your approval / comments have been addressed.

we noted that some minor things are still missing:

- 1.) a 200 word abstract in both English and French
- 2.) a translation of the executive summary in French.

(See section 3.5.5.1 in the call for tender.)

Thanks a lot.
