Dear Ms Izuzquia,

Reference is made to your e-mail of 8 August 2017, with registration number 5653, requesting access to EASO documents regarding training programs for Libyan coast guards conducted under EUNAVFORMED Operation SOPHIA.

The European Asylum Support Office (EASO) has treated your request for documents as a request which falls under Regulation No 1049/2001 regarding public access to European Parliament, Council and Commission documents, which also applies for EASO documents. Moreover, the EASO Management Board adopted on 20 September 2011 its Decision No 6 laying down practical arrangements regarding public access to the documents of EASO.

We regret to inform you that EASO does not have any training materials available since discussions are still ongoing with EUNAVFOR MED with regard to their various training programmes and possible cooperation in delivery of trainings by EASO for EUNAVFOR MED staff as well as Libyan coast guard. Therefore, as yet, no training material has been developed for this purpose.

Yours sincerely,

José Carreira  
Executive Director
