Subject: Public consultation on excise duties on manufactured tobacco

Dear all,

We would like to inform you that the European Commission has launched the public consultation on excise duties on manufactured tobacco. With this consultation we are seeking the views of all interested parties on a set of possible options for revision of [Directive 2011/64/EU](#).

The public consultation will be open from 17 November 2016 until 16 February 2017. More information and access to the survey can be found at the [consultation page](#).

Could we kindly ask you to participate in the consultation and/or circulate the link to the consultation page as widely as possible?

We thank you in advance for your cooperation.

Best regards,
