Dear Mr Feustel,
Thank you for your email and for your interest in our work towards an Interinstitutional Agreement on a mandatory transparency register.
I will be travelling quite a bit in the next weeks and so would suggest that you contact my colleague Sarah Nelen, who is also following these issues, to see if she is available for a meeting in the coming days. I take the liberty of putting her in copy.
Yours sincerely,
Michelle Sutton

Dear Mrs Sutton

With regard to your letter to our Director General, he has asked me to try and find a date for you and me to meet to discuss this important matter, for which I am in charge here at BusinessEurope.

Maybe some time in September?

Wishing you relaxing holidays, I remain at your disposal

Kind regards

Christian Feustel
