Dear Mr Garcia Bercero, dear [At 4.16] dear [At 4.16]

This is just to say thank you very much for your time and all the useful intelligence given regarding the forthcoming EU-US trade negotiations under the TTIP. We very much look forward to working with you and being involved in a useful and meaningful way in the substance of the process in the months to come.

I'd also like to inform you that the annual meeting of the Transatlantic Consumer Dialogue will take place in Brussels on the 29th and 30th of October, and we will be in touch soon regarding DG Trade representation once the agenda is a bit more clear.

Please do not hesitate to get in touch if there are any questions, or you need further information from us. As I explained in the meeting, I will be working on the TACD policy/advocacy, while my colleague Christina (cc-ed) in the CI London Office is responsible for all process issues and events management. Her co-ordinates are below.

Kind regards
