1. Introduction

2. Adoption of “A” points

20160927 List of A
points for agreemen

3 - Block 3 / structure issues - livestock provisions

- validation of the path to be taken on the basis of the document “table - outcome of DGM 19-20/09 on the livestock structure” as checked/commented by the 3 institutions:

Table_outcome
drafting group 19-2

- presentation of draft consolidated text for Article 11 and Annex II Part II as updated by COM for Article 11 on 21 September 2016:

20160926
Compromise propos

general discussion followed by in depth exchange on selected issues of Annex II Part II, ie:

- 1.3.5 - derogations for the use of non-organic animals (nb: consistency needed with decision for points 1.4.4.1-1.4.4.3 below)
- 1.3.5.5 - slow-growing poultry strains and issue of growth rates
- 1.4.1 - percentages of feed coming from the farm
- 1.4.1a and 1.4.2 - grazing section: options to improve readability

- 1.4.2.1(a) grazing on common land
- 1.4.4.1 to 1.4.4.3 - derogation for the use of non-organic feed
- stocking densities for all species
- 1.7.6 and 1.7.9 mutilation, tethering, isolation etc.

4. Summary of trilogue and future work programme
