Subject: Request for bilateral meeting - 22 November 2017

Dear

How are you? I hope you are doing well in this cold early winter season.

As you might be aware, the European Palm Oil Conference 2017 will be held on 23 Nov 2017 in Brussels. Are you attending this conference? I would like to inform you that there are two speakers from Indonesia who will be attending the event :

1. (Mrs) Musdhalifah Machmud, Deputy Coordinator for Plantation and Horticulture, Coordinating Ministry for Economic Affairs will speak on Update on Economic Policy on Sustainability and Strengthening of ISPO (on behalf of the Coordinating Minister for Economic Affairs – HE Mr. Darmin Nasution);
2. (Mr) Mahendra Siregar, Special Envoy of the Ministry of Foreign Affairs, former Deputy Minister for Finance and Head of Indonesia Investment Coordinating Board as well as former Vice Minister of Trade will speak on Update on CPOPC.

The aim of attending this event is to share an update on Indonesia's policy on sustainability in agriculture and environment and gather more inputs from stakeholders in Europe.

In this regard, would it be possible to arrange a bilateral meeting with Ms. Astrid Schomaker, Director on 22 November 2017 to discuss among others the issue on palm oil and sustainability.

Thank you in advance for arranging the meeting.

Warm regards,

...
