Subject: Your organisation's application for membership of the Advisory Group on the Food Chain and Animal and Plant Health

Dear,

I would like to thank you for your expression of interest in membership of the Advisory Group on the Food Chain and Animal and Plant Health.

After a careful examination of all applications by an Evaluation Committee, 9 associations were selected which met the criteria for membership and would represent sectors not yet present in the Advisory Group.

I am sorry to inform you that your organisation has not been selected to be member of the Advisory Group. However, with a view to the Commission's commitment to consult stakeholders in an open and transparent way and your interest in the DG SANCO consultation process, I would like to assure you that your organisation will be invited to participate in ad hoc specific working group meetings of the Advisory Group relevant to your fields of interest.

Yours sincerely,

Paola Testori Coggi
