Should you wish to sign the Grant Agreement electronically, please contact us immediately so that we can send you an electronic version suitable for electronic signature. Only advanced electronic signatures based on a qualified certificate as defined by Regulation 910/2014 on electronic identification and trust services for electronic transactions in the internal market (eIDAS regulation) and which comply with the signature formats specified in Commission Implementing Decision 2015/1506 shall be accepted. For your information you will find a list of EU trusted certificate providers through the following link:

<https://ec.europa.eu/digital-single-market/eu-trusted-lists-certification-service-providers>

I would like to draw your attention to the fact that:

- If the complete Grant Agreement is not returned to the above address, including all mandates signed by the co-beneficiaries, duly dated and signed by the authorized representative(s),

or

- If you make any change to the wording of the agreement or its annexes,

the Grant Agreement will be deemed null and void.

An original of the Grant Agreement will be sent back to you once it has been signed and dated by the Agency.

A full copy of the signed Grant Agreement will be transmitted for information to the French and Spanish authorities.

Should you have any questions your services may contact Ms Bianca Holdford at INEA-CEF-ELECTRICITY@ec.europa.eu who is in charge of the Action at INEA.

Yours sincerely,

[e-Signed]

Andreas BOSCHEN  
Acting Head of Unit
