Dear [REDACTED]

Mr. [REDACTED] would be pleased to meet Mr. [REDACTED].
Unfortunately the month of May is already very crowded for Mr. [REDACTED] ... Would the 19th of June at 15:00 suite Mr. [REDACTED] agenda?
Should this not be the case, please do not hesitate to contact me.
May I also take this opportunity to fulfil some security matters, and ask you to already fill the enclosed table in with the requested information which will allow me to create the guest passes.
Thank you in advance for your kind cooperation.

I'm afraid that it will not be possible for Mr. Barnier and Mrs. Weyand to meet Mr. [REDACTED] on 28 June.

About AFG :

The **French Asset Management Association** (Association Française de la Gestion Financière, AFG) is the **professional organisation representing the French asset management industry**.

Asset management is about **helping retail and professional investors to provide for their future and achieve other long-term goals**. Individuals and organisations entrust their savings to asset managers, who seek to increase their value by investing in the real economy via companies' shares or bonds, government bonds, and infrastructure assets.

The French asset management sector is the largest in continental Europe : 630 asset management companies employ directly and indirectly 85 000 people and **invest, on behalf of their clients, up to 3 800 billion euros in bonds, shares and other assets**. About 50 % of French asset managers commercialise their funds on a cross-border basis, and more than 30% of the assets managed by our members are issued by corporates or States of the Euro zone (excluding France), **which makes our industry a key source of funding for the European economy**.

AFG is an active member of PensionsEurope and EFAMA, and is complying with the transparency register of the Commission and the European Parliament : ID n°: 5975679180-97.
