

GAZ-SYSTEM S.A.
Mszczonowska 4
02-337 Warsaw
Poland

In Prague, 27th July, 2017

**Declaration of support on prolongation of the Action no. 6.1.1-0054-CZPL-S-M-14 to the
project partner - GAZ-SYSTEM**

Since 2011 the Czech gas transmission operator, NET4GAS, s.r.o. and the Polish gas transmission operator, Gas Transmission Operator GAZ-SYSTEM S.A. are cooperating on the PCI project 6.1.1. The Poland - Czech Republic interconnection [known as Stork II] between Libhošť (CZ) - Hať (CZ-PL) - Kędzierzyn (PL) (STORK II project).

The Action which is a subject to co-financing (6.1.1-0054-CZPL-S-M-14) is an integral part of the PL-CZ Interconnection project and remaining PCIs constituting the PCI Cluster 6.1., which consists of the implementation of the Poland - Czech Republic interconnector [known as Stork II] between Libhošť (CZ) - Hať (CZ-PL border) – Kędzierzyn (PL) and the necessary internal gas grid reinforcement in Poland and the Czech Republic.

In compliance with the rules settled by the Grant agreement no. INEA/CEF/ENER/M2014/0023 as amended Annex II article II.12 NET4GAS, s.r.o. declares the support of the prolongation of the Action no. 6.1.1-0054-CZPL-S-M-14 by 2 months until 31/12/2017.
