¹ **RULES ON SECURITY:**
 As of now and in compliance with the new security regulations of the European Commission, participants to meetings and conferences are required to register with their full name, full contact details and their nationality. Compliance with this regulation is required to enter all buildings of the European Institutions. Upon entering the buildings of the European Institutions on the day of the conference or event, participants will also be asked to present their ID or passport. This is required to enable verification of the details provided in the registration form.
