Hi

Would you be so kind and call me today at the direct line from my signature so that we fix the 'minor issue' you are referring to, and thus we advance this process? I do not have your phone number.

Many thanks,

Hi

We have been trying to deal with issues to secure the candidate status for White Stream - this should be important for everybody who is interested in Turkmen gas.

In relation to the subject - there is a minor issue to clarify.

Can we have a phone call on Monday?

Hi

I hope this email finds you well. Following our discussion in Brussels, any news on providing the consent to share the CBA data with EIB and other prospective lenders to the Project?

Thank you.
