Subject: Invitation to FoodDrinkEurope Environmental Sustainability Committee

meeting - Wednesday 21st February

Dear Mr [REDACTED]

I view of the relevant policy developments that are and will be taking place this year with relation to the environmental performance of food products, we would like to invite you to participate to the next FoodDrinkEurope Environmental Sustainability Committee next Wednesday 21st of February.

With your intervention we would intend that you could provide our members with an overview of the implementation of the Circular Economy Action Plan in 2018 (CEAP), specially those regarding the plastics strategy, waste directives review, Product Environmental Footprint and coherent product policy framework. Your presentation would provide our members with a wider view on the activities of your unit in in these areas and the outcomes you expect form it.

The meeting starts and 11.00 and finishes around 15.30 (with lunch break). We would prefer if you could confirm you participation between 11.00 and 12.30 hrs although we are flexible with the timing. We would be pleased if you could confirm you availability.

Thank you very much for your time and cooperation and pleas let know should you have any other question.
