Subject: Invite Heads of National & Sectorial Associations, FoodDrinkEurope

Dear M [REDACTED],

First of all thank you very much for attending our Environmental Sustainability Committee today; much appreciated.

As discussed we have our meeting 2 March, 10-12.30, with our Director Generals of the national and sectorial food and drink associations that day and would therefore kindly invite you to present the implementation of the Circular Economy Action Plan with a particular focus on the Plastics Strategy. We are happy as discussed to receive you at 12.00 until 12.30 approximately followed by a lunch to which you are of course invited.

Many thanks again and look forward to seeing you then on 2 March, 12.00, at our premises.

Kind regards,
[REDACTED]
