Subject: RE: Invitation to speak at FH roundtable on plastics strategy

Dear [REDACTED],

We would be delighted to have Mr. [REDACTED] replace Mr. Sadauskas as speaker for the roundtable discussion. Provisionally can we reserve the afternoon of the 30th of January for the event (12:30-14:00)? I will provide confirmation of the date this week.

Many thanks for your help.

Dear [REDACTED],

Thank you for your quick message and the information.

Unfortunately, Mr Sadauskas will be on mission during that period. Nevertheless, if you find it suitable, Mr [REDACTED] [REDACTED], Head of Unit ENV.B1 "Sustainable Production, Products & Consumption", who are leading on the plastics strategy in DG Environment, is available in the afternoons of both days to replace Mr Sadauskas as a speaker.

Kind regards,

[REDACTED]

Thank you for your speedy response. At the moment we are looking to host the event on the 30th or 31st of January (morning or afternoon), however we are flexible on dates and would be willing to organise the date around Mr. Sadauskas' schedule.

Would either of the above dates work?

Many thanks,

Dear Mr. [REDACTED],

On behalf of Mr Sadauskas I would like to thank you for the invitation to speak at FG roundtable on plastics strategy.

Would you be so kind and let us know if you have a date for the event yet? For the moment it could be difficult to determine the availability of Mr Sadauskas if no concrete date is known.

Thank you in advance for your understanding.
Looking forward to hear from you.

Subject: Invitation to speak at FH roundtable on plastics strategy Dear Mr. Sadauskas,

I hope this email finds you well. I was wondering if you had a chance to review the below invite to participate as speaker at a FH roundtable on the upcoming plastics strategy towards the end of this month? As outlined below, the roundtable would not take longer than 90 minutes (approx. from 08:00 to 09:30

OR 12.30 to 14.00h) and will take place at the FleishmanHillard offices at 35 Square de Meeûs.

It would be great if you could let me know of your interest in acting as the keynote speaker during our roundtable and your availability.

Many thanks,

Subject: Invitation to speak at FH roundtable on plastics strategy

Dear Mr Sadauskas,

Following up on earlier exchanges that we have had about the circular economy package and events that FleishmanHillard was organizing, I am contacting you in relation to a roundtable that we are seeking to organise **towards the end of January** on the upcoming EU plastics strategy.

We would like to invite you as a speaker to provide a brief introduction to the strategy and then ideally open the floor to industry, policymakers and NGO representatives to ask questions on the specificities of the initiatives included in the strategy and ideally seek opportunities where industry and civil society could contribute to the initiatives and general objectives as set out in the strategy. A moderator will steer the debate. We have recently organized a similar event with the DG CLIMA Director on CO2 standards where we asked participants to submit their questions ahead of the event so that we can select most relevant and interesting questions and make sure that participants come prepared to the event. This appeared a very interesting and successful formula and we would be delighted to organize a similar event around the plastics strategy.

Conscious of your time and agenda, the roundtable will not take longer than 90 minutes (approx. from 08:00 to 09:30 OR 12.30 to 14.00h, tentatively), and will be organised at the offices of FleishmanHillard on Square de Meeûs 35. A breakfast or lunch will be provided to all participants.

Could you inform me whether acting as the keynote speaker during our roundtable would find your interest, and if so, which date would be most convenient for you?

Many thanks in advance for considering this invitation, and I look forward to your positive response. I remain at your disposal for any questions or inquiries you may have until such time.

Kind regards,

[REDACTED]
