Subject: GIE Security of Supply TF

Dear [redacted]

GIE has been working on concrete suggestions for improving Regulation 994/2010. It resulted in two documents: a description of the proposed measures and concrete wordings. The documents are in the final stage of the internal approval process.

[redacted] and me are happy to discuss them with you end of November.

Our availability for a meeting in Brussels would be:

- Wednesday 25 November
- Thursday 26 November after 11h00
- Monday 30 November

Please let me know which date and time suits you best. We are looking forward to a fruitful discussion.

Kind regards,
