Dear Commissioner Arias Cañete,

Following the invitation sent to you on 8<sup>th</sup> April (attached to this email again for your convenience), we are pleased to announce that our Member States' Gas Forum is now formally confirmed for **Tuesday 23<sup>rd</sup> June at 14.30 in Brussels.**

Let me reiterate that we would be delighted if you could join us for opening remarks at the event, to share with us your views on the next steps of the Energy Union project and what you believe the role of gas and renewables will be in this endeavour.

We do hope that you will be available to speak at the event despite your tight schedule, and remain available for any questions you may have.

We are looking forward to your response.

Best regards,
