Subject: ENAGAS: Proposal for a Regional Workshop on the Iberian-French-German Gas Corridor (Madrid, 14 October)

Dear Mr. Bochartd,
Dear all,

I would like to start by sincerely thanking you for your time and for the constructive discussion we had on 26 June. [REDACTED], we really appreciated that meeting.

As agreed on that day, we have been working on a first concept for organizing a regional workshop (Madrid, 14 Oct) which would be aimed to definitively push forward the Iberian-French-German gas corridor.

A first draft document is attached to this e-mail for your consideration. Apologies for the delay in sending this proposal. (busy times in Spain with the reform of the gas market).

This document has been discussed with representatives of our Ministry and they think it is a good initiative. We have also thought that it would be sensible to involve Italy in this event due to their political/geographical situations.

Please don't hesitate to comment on the document. We remain open to your suggestions and/or questions.

Thank you

Best regards
