Dear [REDACTED],

Please find attached the final, consolidated mailing list for the Save the Date.

I apologise for the delay in getting back to you, I have been waiting for answers on a few final questions.

I have applied a filter so that only the persons to receive the Save the Date in the first instance appear, and I have added all of the email addresses to be cc'd in the "email" column D – the objective being to make it as simple as possible to work with: it should be a simple case of selecting the entries in the "email" column D (there should be 470 cells selected), and copying and pasting them to give the list of email addresses.

I copy again the Save the Date below for convenience. We have also added the "the" in "tackling the institutionalisation" in the second paragraph.

From our side, we are happy for the Save the Date to go out to this list now.

I will be happy to answer any questions you might have about the list (please note, I will be on leave tomorrow).

Kind regards,  
[REDACTED]

## SAVE THE DATE

**The European Commission and Lumos are delighted to invite you to**  
***No child left behind: Families not institutions -***  
***EU external action championing children's rights***

**Brussels, 15 June 2018**  
**European Commission, Charlemagne building**

**10:30 – 16:00**

The conference will be co-hosted by Neven Mimica, European Commissioner for International Cooperation and Development and J. K. Rowling, Founder and President of Lumos. Bringing together the voices of girls and boys, global leaders, leading experts and policy-makers, the conference will explore the EU's role in leaving no child behind, ensuring that all children across the world can realise their right to live in a safe environment within their families and communities.

Join us to promote global leadership in tackling the institutionalisation of children and explore how the EU and the international community can continue to drive and support quality child care and protection reform around the world in the best interests of children.

**Participation will be by invitation only.**

Further details, including on how to register, to follow.

In the meantime, if you have any queries, please contact [redacted] at [redacted]@wearelumos.org.
