Subject: request from National Service for Protection of Republic of Bulgaria

Dear [redacted],

We have already contacted with [redacted] with a request for an account for NesDesk tool. [redacted] has recommended to participate in the forthcoming OSINT/EMM workshop scheduled on 29/11-01/12 where we could present our needs and receive an advice for the most appropriate EMM tool.

My leadership decided to take part in this training.

Please find attached the scanned copy of the letter signed by the [redacted] [redacted] with a request a NSP officer to be included in OSINT/EMM workshop scheduled on 29/11-01/12 2017 in Ispra (Italy).

Should you need a hard copy, please let me know to send it by post.

Kind regards,
