Subject: Catch up

Dear [REDACTED],

I hope this email finds you doing well.

One of our Marsh colleagues is testifying before the US House of Representatives today on the impact of autonomous vehicles on risk management and insurance. I thought this could be of interest to you and the Commissioner. If you have some time in the next couple of weeks, we can perhaps meet for coffee to discuss the Company's insights on the matter, as well as other common priorities? If you are game to catch up, kindly let me know what dates and time would work best on your end. It would be great to see you again.

Kind regards,

[REDACTED]
