Subject: Davos meeting with The Boston Consulting Group

Dear Mr. Oettinger:

I hope this email finds you well.

My name is [REDACTED] and I am [REDACTED]. I will be attending the World Economic Forum Annual Meeting 2016 and I would welcome the opportunity to have a short meeting with you in Davos.

We have recently done considerable work on the **future of mobility** with a particular focus on **autonomous driving**. Among others, I am currently co-leading a joint effort with the World Economic Forum on "Self-Driving Vehicles in the City of the Future". As part of this project, we have conducted extensive customer research (n= 10.000) in ten countries, **including the TRIAD and BRIC markets**. I would like to take the opportunity to share insights from our project work as well as our current thinking on new mobility with you in Davos.

Please let me know if you have any availability and we will arrange a time. I look forward to seeing you soon.

Best regards,

THE BOSTON CONSULTING GROUP
